

History Minors Checklist

The following checklist is intended to assist students in determining which courses they need in order to meet the requirements for a B.A. with a minor in History. It is an informal document that is intended to supplement the Registrar's Audit.

PREAMBLE: DECLARING A MAJOR

Students may declare a history major at any time during their undergraduate career, although university regulations require that students declare a major (in something!) by the beginning of their third year. To declare a major in history does not require the approval of the History Department, although we would be happy to consult and advise. All a student need do to declare their major is to fill out the required form at the Registrar's Office.
