

## Cricket Rules

1. Each team will have no more than 6 players. Only those players playing the 1st inning will be allowed to play the 2nd inning.
2. 6 overs game (In each inning, the bowling team will bowl 6 overs only) --> Each over has 6 balls.
3. No player can bowl more than 2 overs in an inning
4. No last batsman
5. If the batsman is injured, he may ask for a runner from his own team with permission of the umpire (official). The umpire (official) will decide if the injured batsman needs a runner after examining his injury. The rules for taking runs, fours and sixes will be discussed before each game begins on the first evening.
