Safety Matters @Work
Workers Compensation Board of PEI

Workers Compensation Board (WCB)
Early Access Physiotherapy

If you have had an *injury at work,*
that does not require urgent medical care,
you may be able to *access physiotherapy*
without a doctor's referral.

The WCB's *Early Access Physiotherapy* pilot program improves access to treatment to help you recover after a workplace injury. Your workplace and the clinics listed below are participating in the program.

If you would like to go directly to a physiotherapist for the treatment of a workplace injury:

1. Tell your employer about your injury.
2. Complete a WCB Worker's Report-Form 6 and submit it promptly by fax (if possible) to the WCB at 902-368-5696.
3. Contact the nearest physiotherapy clinic from the list below and make an appointment. Be sure to tell the clinic where you work.
4. Attend the physiotherapy clinic for an assessment. The clinic will arrange to see you within 48 hours of your call.

Participating Physiotherapy Clinics

Location	*Clinic*	*Phone*	*Address*
