

Financial Aid Information

The University of Prince Edward Island can offer the following loans to US students in the DVM program using the Direct Loan Program. The following are instructions on how to apply for the Direct Unsubsidized Loan and the Direct Plus Loan:

Eligibility of Direct Loans

If you are a graduate/professional student, you will need to complete the Free Application for Federal Student Aid (FAFSA), just as you did under the FFEL Program.

- You may complete the FAFSA electronically via the FAFSA on the Web site at <http://www.fafsa.ed.gov>. **NOTE: You must list UPEI's school code on the FAFSA in order to show up on the school list. The school code is G09367.**
- To complete the FAFSA electronically, you must have a Federal Student Aid PIN. To apply for a PIN if you do not already have one, visit the Federal Student Aid PIN Web site at www.PIN.ed.gov.
- After the Department processes your FAFSA, you will receive a Student Aid Report (SAR). We will receive your SAR electronically. Please retain the SAR for your records.

Direct Unsubsidized Loan MPN Completion

Direct Plus Loan Request and Credit Check Completion

To qualify for a Direct PLUS Loan, you must not have an adverse credit history. If you have an adverse credit history, you may still be eligible for the loan 1) by obtaining an endorser who does not have an adverse credit history and agrees to repay the loan if you do not or 2) by documenting extenuating circumstances that meet the Department's requirements.

The Department conducts a credit check once you provide your consent. The Direct PLUS Request provides us with your authorization to conduct the credit check and other necessary information.

You must complete a Direct Loan Master Promissory Note (MPN). Please follow the directions as described above for the Direct Unsubsidized Loan.

Direct Loan Entrance Counseling Completion

If you are a graduate/professional student and have not previously received a Federal Subsidized/Unsubsidized Loan or Federal Plus Loan, you must complete Direct Loan Entrance Counseling before you can receive a Direct Loan.
