## STUDENT RESEARCH TRAVEL FUNDING PROGRAM GUIDELINES 2018-19

### **PURPOSE:**

To fund students who are presenting a paper or poster on their research activity at a national or international scholarly conference.

### **VALUE:**

Up to \$500 toward travel expenses.

### **APPLICATION DEADLINE:**

OPEN deadline. Applicants may apply prior to attending the conference, or within 30 days after return from travel. Post-travel submissions must be accompanied by a completed [travel report and claim](#), with appropriate receipts, indicating other sources of funding as applicable.

### **PROCESS:**

Travel requests are typically processed by Research Services within 2-3 business days of submission.

### **ELIGIBLE APPLICANTS:**

- UPEI graduate and undergraduate students who are enrolled at UPEI at the time of application and during the period of travel.

Please note the following:

- Only one grant may be held per calendar year (based on the date of travel).
- If multiple UPEI investigators are authors on the same paper, only one applicant (typically the first author) may receive travel funding.
- If an applicant is eligible for Research Travel Funding in more than one role (Student, Postdoctoral Fellow, and Faculty), they may apply to only one program in a calendar year.

### **GENERAL INFORMATION:**

- Funds may be used in support of the costs of conference registration, travel, and subsistence. Expenditures must be in line with the [UPEI Travel Expenses Policy](#). The cost of membership in a professional association is not eligible.
- Due to differences among disciplines in the nature and extent of peer review, as well as the fact that invited submissions may not be peer reviewed, it is not required that abstracts be peer reviewed.
