GRANT H. FLINT INTERNATIONAL
SCHOLARSHIP AWARDS PROGRAM

SWANA[®]

SOLID WASTE ASSOCIATION
of North America

CATEGORY II –
College/University
Juniors & Seniors Studying a Field
Related to Solid Waste Management

Dear College Junior or Senior:

Hello and thank you for your interest in SWANA's **Grant H. Flint Scholarship Awards Program**. These annual scholarships were named for the individual in Southern California who was the driving force in the formation of the Solid Waste Association of North America.

SWANA is a professional association for more than 10,000 members who work in solid waste management. That industry is far advanced from the old stereotypes of "garbage men." Our members include men and women working as engineers, scientists, business and sales professionals, safety specialists, experts in communications, marketing and policy, and on the front line of collection and operations, all of whom help address the critical job of managing solid waste as a resource.

To be eligible to apply for SWANA's Category II Scholarship, worth \$5,000, you must:

- Be enrolled full-time in college or university
- Be entering your junior or senior year of undergraduate studies
- Pursuing a degree in environmental science, environmental studies, engineering or a major related to or applicable to the field of solid waste management. SWANA's membership is diverse and we encourage you to consider how your selected area of study might lead you into our professional ranks.
- Be a SWANA Student Member. This is free to full-time students and you can join by visiting www.swana.org.

Complete the application for a Category II Scholarship provided on the following pages. **Applications are due to your Chapter Scholarship Committee Chair by May 1, 2019.** Chapters can award local scholarships and are also responsible for sending a single chapter nomination for the \$5,000 Category II (College/University Junior or Senior) Scholarship to SWANA by June 1, 2019. SWANA's awards will be announced during summer 2019.

If you live in a geographic area outside a current SWANA chapter, please complete this application and send it directly to Sara Bixby in her role as SWANA's Staff Scholarship Administrator by May 1, 2019. You can find SWANA chapters at <https://swana.org/Membership/Chapters/Chaptercontacts.aspx>.

For more information, email Sara Bixby at sbixby@swana.org. We look forward to receiving your application. Best of luck as you continue your education.

Sincerely,

Charles Weidner
Chair, SWANA Scholarship Committee

Deputy Executive Director, SWANA

IV. CRITERIA:

The International Scholarship Committee evaluates the Grant H. Flint Category II Scholarship applications on the following basis:

A. Academics = 30%

The Committee looks at your current Grade Point Average. If your school doesn't use the GPA, provide your current overall grade and a description of the school's standardized grading system. Your college/university registrar must provide a copy of your current transcripts to support evaluation of this criterion. See more on this below.

B. Other Activities = 20%

Factors considered as Other Activities include, but are not limited to:

- Research internships and assistantships
- Military service
- Student organization participation
- Volunteer activities

C. Relation of Studies to Solid Waste Management = 50%

The Committee will consider your current and completed courses as well as the content of a one-page essay relating the courses to some aspect of solid waste management systems.

D. Need

Although it is not a weighted factor, the Committee can take financial need into consideration during its deliberation.

In addition to these criteria, an application will be disqualified if it:

- Does not meet the May 1 deadline for submitting the application to the Chapter or Staff Scholarship Administrator
- Does not provide all required supporting documentation or the one-page essay
- Is not legible
- Is not signed by the applicant where indicated

V. QUESTIONS:

We realize there may be questions that aren't answered by this overview. Please direct your questions to your **Chapter's Scholarship Chairperson** or **SWANA's Staff Scholarship Administrator**, Sara Bixby at sbixby@swana.org.
