¹ Estimated Academic Expenses are based on the approximate cost of attending UPEI for the September to August academic year.

² Estimated Living Expenses are based on living allowances which are provided by the federal government and your province of study. These are the monthly amounts a student receives based on the cost of shelter, food, miscellaneous expenses and public transportation in their province or territory.

³ Single student away from home (independent) is for student's living away from their family home, who are responsible for their own living expenses.

⁴ Married student amount is half of the 'Married Student and Spouse' allowance, to determine the individual student's portion of living expenses.

*If a PEI resident is receiving the George Coles Award or Island Advantage Bursary, please do NOT include this amount.
