## **The Gray Family Foundation Entrance Scholarships in Paramedicine**

### **DESCRIPTION**

---

The Gray Group Inc. was established in 1986 as a result of the growth of its then parent company Vogue Optical Inc. Members of the Gray family are well known business and philanthropic leaders in Atlantic Canada, having started a small optical business in Prince Edward Island that now has branches across Canada and is famous for its 'second pair free' policy.

The Gray Group Inc. purchased buildings and strip malls to house their expanding retail eyewear stores; today Vogue Optical Ltd. is still the anchor tenant. The company has grown immensely and now owns properties throughout Atlantic Canada.

Wayne, Cory, and Darren Gray give back to the community in many ways through donations and sponsorships. The family has a special affinity for the medical and health care fields and support many charities including but not limited to the Canadian Red Cross, Children's Wish Foundation, QEH Foundation, and Stars for Life Foundation.

Following its philanthropic priorities, the Gray family has established these scholarships for UPEI students who will pursue a Bachelor of Science in Paramedicine.
