## **UPEI Football Alumni Scholarship**

### **BACKGROUND**

---

In 2010, post-secondary level football returned to Prince Edward Island with the establishment of a PEI community football club. This was a welcomed announcement to football players, former players and fans who have been advocating for the return of football to PEI for decades.

As part of the Atlantic Football League, the football club is committed to encouraging participation from both UPEI and Holland College student athletes. In 2010, the team created the Annual PEI Heritage Football Classic, bringing together former varsity players from St. Dunstan's University, Prince of Wales College and the University of Prince Edward Island.

This annual award was established to honour the football tradition at UPEI and to support a UPEI student athlete.
