## Study Abroad and Exchange Policy for USDL Students

### Exchange students

**IMPORTANT!** The U.S. Department of Education regulations stipulate that you can receive US Direct Loans while on exchange only if:

- you attend a school that participates in the **US Direct Loan Program**, and
- the school attended is **located outside of the US**

The [US Federal School Code List](#) (updated quarterly) will determine whether your intended international exchange school participates in Title IV Federal Student Aid Programs.

### Study Abroad students

Students participating in a Study Abroad Program are **NOT** eligible to receive subsidized/unsubsidized/PLUS or alternative loans through the University of Prince Edward Island. You will be paying your tuition fees to the other school (abroad). You must, therefore, make arrangements with **that** school (not the University of Prince Edward Island) for financial aid.
