

Check Sheet for Political Science Major

Name: \_\_\_\_\_ Student Number: \_\_\_\_\_

A major in Political Science consists of 14 POLS courses (42 cr. hours). Four of those courses are mandatory “core” courses and are listed below. In addition, students must complete at least 1 course in each of the 3 areas listed under “general requirements.” The remaining 7 (21 cr. hours) courses can be in any area of political science. These are “political science electives.” However, among all the political science courses majors take, at least 6 (18 cr. hours) must be 3000 or 4000-level courses. Note that a BA degree at UPEI has other regulations not listed here.
