Due to significant interest in AVC Vet Camp, we usually receive more applications than spaces available. If you have previously attended AVC Vet Camp and are applying to repeat the same level, your name will be placed on a waiting list in order to give new students the opportunity to attend. You will be notified if there is an opening. If you are a returning camper—that is, you have already attended junior camp and are now applying for senior camp—your application will be processed and entered in the lottery draw for senior camp.
