# Dean's Introduction

“The skills that are nurtured by an Arts education -- analysis, the transformation of information into knowledge, effective communication, the creation and evaluation of evidence, and turning ideas into action -- are instantly valuable to employers, and forever valuable to lifelong learners. Arts graduates have the knowledge and skills to solve today's complex problems and to build a better future.”

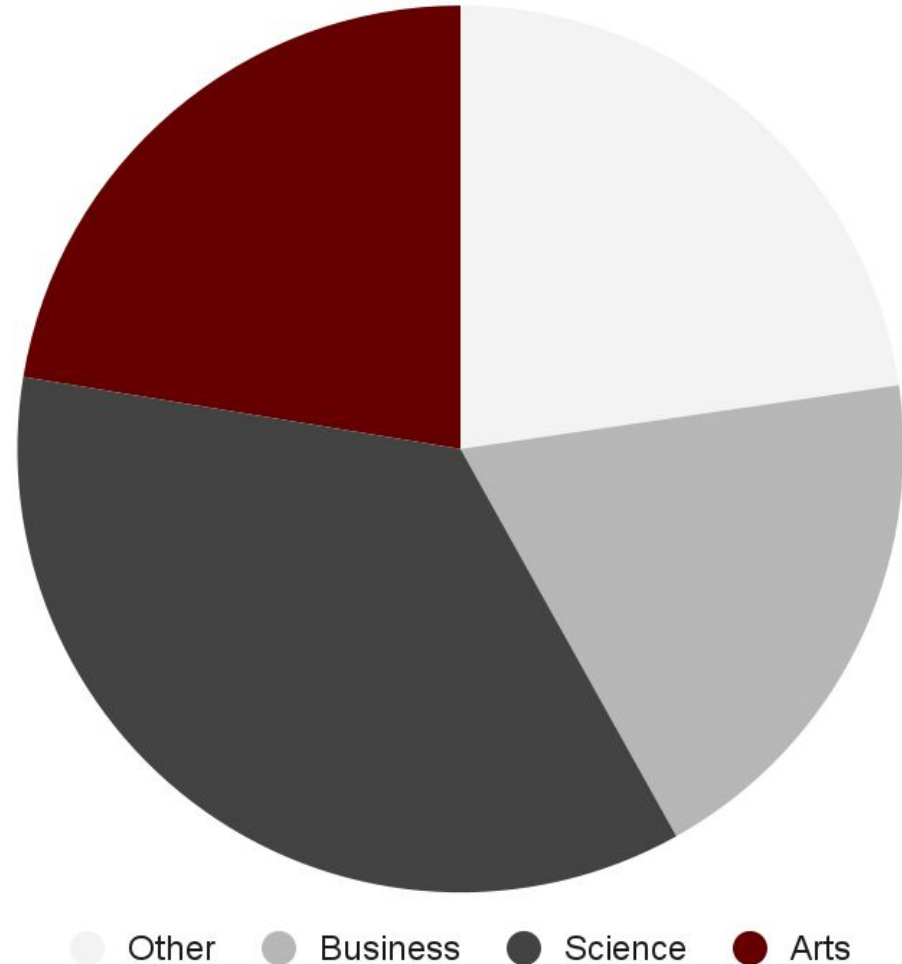

- Neb Kujundzic, Dean of Arts (Fall 2021).

# Stats: Faculty Of Arts

# 22.4%

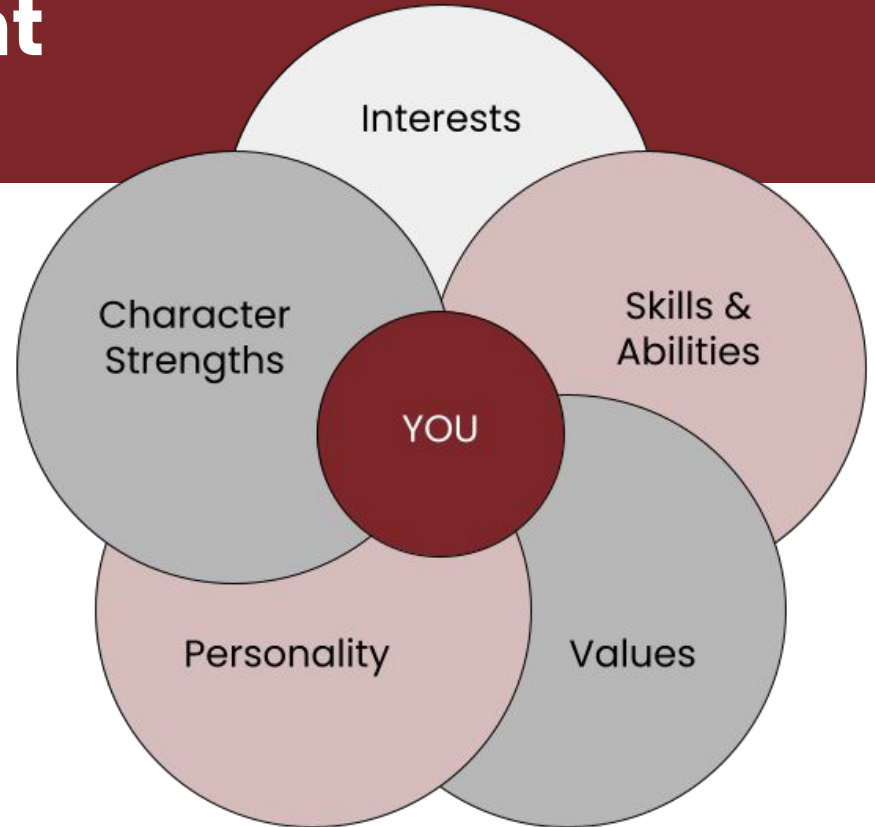

Of undergraduate students were part of the Faculty of Arts in 2020
