The University of Prince Edward Island is located on the ancestral, unceded, and unsundered lands of the Mi'kmaw people, known to them as Epekwitk. We acknowledge the Mi'kmaq as the past, present, and future caretakers of these lands upon which UPEI is built.

As part of UPEI's commitment to advancing reconciliation, the Mawi'omi Indigenous Student Centre gifted inaugural Indigenous Graduation Stoles to graduating Indigenous students in May 2022. UPEI is proud to carry on this annual tradition and has presented five Indigenous Graduation Stoles to members of the Class of 2025.

For the students, the stoles are a visual symbol of accomplishment and pride in their Indigenous heritage. The stole, designed by Corrine Chappell, Mi'kmaw artisan and Advisor to the Vice-President Academic and Research on Indigenous Affairs, features the four sacred colours of the Indigenous medicine wheel: white, yellow, red, and black. The crest on the stole includes the double curve, representing the Mi'kma'ki First Nations; the infinity symbol, representing the Métis peoples; and the polar bear, representing the Inuit. The University thanks the Mawi'omi Indigenous Student Centre and Corrine Chappell for creating this meaningful UPEI tradition for Indigenous graduates.

The Eagle Feather, which was presented to the University by the Native Council of Prince Edward Island in 2023, is carried as part of the Academic Procession and placed in a position of prominence on the Convocation stage alongside the ceremonial mace. The eagle is sacred in Indigenous culture because it flies closest to the Creator and symbolizes respect, honour, strength, courage, and wisdom. The eagle's feathers also symbolize a step forward and a new chapter in the ongoing story of reconciliation.

**UPEI is committed to advancing reconciliation through higher education. As a community, we have started a journey of growth to realize the role we must play in promoting an understanding of Indigenous history and culture and supporting respectful relationships.**
