

Faculty of Sustainable Design Engineering
FUNDING ARRANGEMENTS FOR GRADUATE STUDENTS

Student name / UPEI ID: _____

Supervisor (Co-supervisors): _____

Committee members: _____
(MSc-SDE: 2 members; PhD: 3 members):

Funding arrangements: Complete years 1-2 for MSc-SDE and 1-4 for PhD, indicating whether the funds are secured or expected. For secured funds, add the number of the UPEI account(s) from which the student will be paid (confirmation of funding will be required before the application is processed). Expected supervisor's contribution (minimal stipends) for students without major scholarships is as follows: PhD students: \$16,000/yr or more over the course of the degree; MSc-SDE students: \$14,000/yr or more over the course of the degree. Teaching Assistantships and other scholarships may subsidize or supplement these stipends depending on Departmental availability and student suitability. Rules for self-funded students are explained in the Guidelines for Graduate Supervision.

A) Personal Support:

Year	Dates	Amount	Source (Account # if secured)	Secured/expected
1				
2				
3				
4				

B) Research Support (Specify amount. If unknown, specify upper limit):

Year	Dates	Amount	Source	Secured/expected
1				
2				
3				
4				

The **supervisor** is responsible for ensuring that there are/will be funds available in the sources listed. He/she also takes responsibility for the student program according to the terms in the Guidelines for Graduate Supervision. Students must sign this form.
