FUNDING ARRANGEMENTS FOR GRADUATE STUDENTS

Student name / UPEI ID: _____

Supervisor (Co-supervisors): _____

**Committee members:
(MSc: 2 members; PhD: 3 members):** _____

Funding arrangements: Complete years 1-2 for MSc and 1-4 for PhD, indicating whether the funds are secured or expected. For secured funds, add the number of the UPEI account(s) from which the student will be paid (confirmation of funding will be required before the application is processed). Expected supervisor’s contribution (minimal stipends) for students without major scholarships is as follows: PhD students: \$16,000/yr or more over the course of the degree; MSc students: \$14,000/yr or more over the course of the degree. Teaching Assistantships may subsidize or supplement these stipends depending on Departmental availability and student suitability. Rules for self- funded students are explained in the Guidelines for Graduate Supervision.

The Chair of the _____ Department has knowledge of the proposal, has determined that the project obligations (equipment, research and office space) can be fulfilled, and agrees on the provision of appropriate graduate courses. Should the supervisor become unable to fulfill his/her role for unanticipated reasons, the Chair, the Supervisory Committee and the Coordinator of Graduate Studies agree to take responsibility for the remainder of the student’s program, according to the terms of the Guidelines for Graduate Supervision. Ultimately, funding responsibility will rely on the UPEI Office of Graduate Studies.
