INCIDENT REPORT FORM DEFINITIONS

EXPOSURE: The state of having no protection from something harmful; the fact of experiencing something or being affected by it because of being in a particular situation or place.

FIRST AID INJURY: A minor injury requiring only first aid treatment.

HARASSMENT: The University defines "harassment" within any University-related context as an incident or series of vexatious or disrespectful comments, displays or behaviours that demean, belittle, humiliate, embarrass, degrade or attempt to exclude; that is known or ought reasonably to be known to be unwelcome and/or offensive; and which adversely affects the employment or academic status of the individual. (from Fair Treatment Policy)

HAZARD: Any source of potential damage, harm or adverse health effects on something or someone under certain conditions at work.

ILLNESS: Unhealthy condition in mind or body.

INCIDENT: An unplanned, undesired event that hinders completion of a task and may cause injury, illness, property damage, or some combination of all three in varying degrees from minor to catastrophic. Unplanned and undesired do not mean unable to prevent.

INJURY: Physical harm or damage to a person.

LOST TIME INJURY: A disabling injury where the injured person is unable to report for their next regular shift.

MEDICAL AID INJURY: An injury requiring treatment by a health care professional.

NEAR-MISS: An undesired event that, under slightly different circumstances, could have resulted in personal/property damage or loss.

PROPERTY DAMAGE: Loss to equipment, material, and/or the environment.

RECURRENCE: An incident which has occurred more than once.

*Under the [Fair Treatment Policy](#), incidents submitted under the Harassment category will be forwarded to the Fair Treatment Advocate for investigation and follow-up.
