

Faculty of Nursing 2025-2026 Deans’ Honours List

All Deans’ Honours recipients will receive an email notification and further information regarding certificate pickup

Criteria for qualifying for the Deans’ Honours distinction can be found in the UPEI Academic Calendar – Regulation 18. Deans’ Honours List. Deans’ Honours is a non-monetary distinction awarded to students enrolled in a degree program in the Faculties of Arts, Science, Business, Nursing and Engineering. Standing for inclusion on the Deans’ Honours List is calculated annually at the end of the academic year based on courses completed at UPEI (or a combination of courses completed at UPEI and courses completed on exchange at a recognized Exchange Partner institution) between September 1 and August 31. Eligibility for this distinction is based on completion of a minimum of 30 semester-hours of credit, with a grade point average of 3.7 or higher, with no courses failed. Transcript notations will state Deans’ Honours List.
