PRESIDENT'S ANNUAL REPORT 2013

people • excellence • impact

MISSION

The University of Prince Edward Island, founded on the tradition of liberal education, exists to encourage and assist people to acquire the skills, knowledge, and understanding necessary for critical and creative thinking, and thus prepare them to contribute to their own betterment-and that of society-through the development of their full potential. To accomplish these ends, the University is a community of scholars whose primary tasks are to teach and to learn, to engage in scholarship and research, and to offer service for the benefit of our Island and beyond.

VISION

The University of Prince Edward Island will be a leader in delivering outstanding experiential learning opportunities that encourage our students to develop their full potential in both the classroom and the community. Driven by discovery, UPEI will be a destination for those eager to advance our world by creating new knowledge. Together, we will foster the development of tomorrow's leaders who will emerge from their studies ready to excel and contribute to the betterment of our local and global communities.

VALUES

Accountability and Integrity • Excellence • Respect and Collegiality •

Shared Responsibility

UNIVERSITY OF PRINCE EDWARD ISLAND

Located in Charlottetown, the capital city of the province of Prince Edward Island, UPEI has a rich and vibrant history with roots in two founding institutions—Prince of Wales College (PWC) and St. Dunstan's University (SDU). The University honours this proud legacy through a growing reputation for research innovation, academic excellence, community engagement, and service—locally, nationally, and internationally.

Consistently ranked as one of Canada's top primarily undergraduate universities, UPEI offers a wide range of programs and degrees to over 4,400 undergraduate, graduate, and doctoral students from over 60 countries. The University is home to a talented community of educators and researchers including five 3M Teaching Award winners, and 15 funded research chairs—one a prestigious Canada Excellence Research Chair in Aquatic Epidemiology.

UPEI's beautiful campus consists of 28 academic, administrative, residential, and athletic buildings surrounding an historic central quadrangle. UPEI students benefit from outstanding student-faculty interaction, exciting research opportunities, a supportive campus environment, international study exchanges, and over \$5.4 million in scholarships. Upon graduation, they join our growing network of more than 22,000 successful alumni—Panthers for Life—who pursue rewarding careers in their chosen fields—demonstrating the value and promise inherent in a UPEI education.

"Our vision is straightforward: we want our students to reach their full potential within their classrooms and communities."

Message from the President

In 2012–2013, UPEI focused on positive change in support of student opportunity and achievement, and collaboration with our partners and communities. Our vision is straightforward: we want our students to reach their full potential within their classrooms and communities. Creating pathways for students to develop both knowledge and skills is essential to achieving this goal. Engaged scholarship and experiential and active learning are key. UPEI's proposed Bachelor of Science in Engineering program is an example of our commitment to growing experiential learning for the benefit of our students. The program is being developed on a project-based, industry-focused model that requires students to work in partnership with industry, campus, and community. In addition to advancing learning opportunities, UPEI's commitment to evaluate the programs and experiences we offer students, and the ways in which we offer them, is vital.

Over the past year, we have worked to address issues unique to a post-secondary institution, as well as those presented by the larger environment. This report demonstrates our progress and reflects the dedication and achievements of our talented students, faculty, and staff through a selection of their accomplishments. In doing so, it illustrates UPEI's ongoing commitment to excellence and our determination to advance the initiatives needed to achieve our vision for the long-term success of our students and University.

This report also recognizes the continuing involvement and generous support of our community of donors and friends whose dedication to UPEI is transformative for our institution. On behalf of the University, I am honoured to express our deepest appreciation for their outstanding commitment.

UPEI is at a pivotal point in transforming its future. As a University, we are acutely aware of the challenging and changing landscape within higher learning. Based on widespread consultation over the past two years, we continue to plan and progress in the development of the *UPEI Strategic Plan* and supporting documents that outline our University's future direction and measures of success. This framework will enable UPEI to make responsible, informed decisions, while de-livering a growing level of accountability to our stakeholders as we pursue our mission of teaching, research, and service.

At UPEI, we are eager to reach our full potential. We continue our efforts to become the university of choice for more students from Prince Edward Island, other Canadian provinces, and around the world. And we are excited by the opportunity to deliver the quality education and experiences our students need to succeed in a demanding and dynamic future.

Alaa Abd-El-Aziz President and Vice-Chancellor

FUTURE DIRECTIONS—PROGRESS TO DATE

(August 31, 2013)

Throughout 2012–13, UPEI advanced in the development of its *Future Directions* initiative and its goal of building a shared sense of purpose and direction in respect to UPEI's future.

Work on the draft strategic plan continued in 2012, with input being provided by key stakeholders throughout the year. Additional feedback was solicited from the campus community in late August and into the fall of 2013. The feedback provided will add further value towards development of the *UPEI Strategic Plan* that will be reviewed by the UPEI Senate and Board of Governors in late 2013.

The development of a comprehensive UPEI Future Directions Strategic Planning Framework will add related planning and scorecard measures. Upon approval by the Board of Governors, this strategic road map will lead UPEI's pursuit of priorities over the next five years in an effort to fulfill our potential by succeeding through transformation. The final stage of the Future Directions process will take place in 2014. It will consist of framework implementation and evaluation of planning on an ongoing basis.

STRATEGIC PRIORITIES

STUDENT EXPERIENCE

Improve student learning and experiences by examining what and how—we teach in support of UPEI's vision of becoming a leader in experiential learning

VIBRANT COMMUNITIES

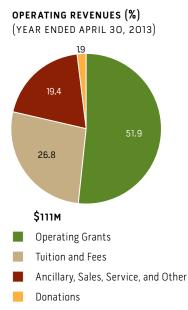

Make UPEI a centre that fosters the development and growth of our people and the engagement of our communities

EXPLORATION AND DISCOVERY Develop an increasingly integrated research culture that reaches further into our classrooms and communities

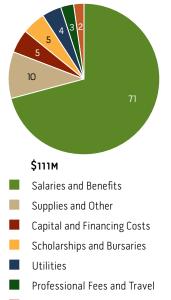

LONG-TERM SUSTAINABILITY Achieve growth to ensure a thriving sustainable future

STUDENTS

UPEI offers its students a quality education, competitive tuition, and a unique learning experience. Enrolment has grown steadily over the years, reaching a high of 4,567 students in 2011/12. In the fall of 2012, a decline in UPEI enrolment (4,477) reflects the beginnings of predicted demographic challenges in the region. Positive enrolment trends in the fall of 2012 for full-time, firstyear registrations in arts, business, and science include an increase of 26 per cent in the number of students attending UPEI from other provinces, and an increase of 19 per cent in the number of international students.

RESEARCH

UPEI is an important centre of research excellence in Atlantic Canada, and is home to 15 funded research chairs, including the prestigious Canada Excellence Research Chair in Aquatic Epidemiology. The University manages millions of dollars in research expenditures annually. Individual and collaborative research is centred within three main areas: environment, health, and community and culture.

Friends

Estates

TOTAL

The Department of Development and Alumni Engagement (formerly the Department of Advancement) at the University of Prince Edward Island strives to sustain UPEI's future success by securing private philanthropic support and fostering donor-centred relationships. Donor support enhances the UPEI student experience and strengthens the University's ability to achieve its mission and potential. The following information provides a financial review of support received during the fiscal year 2012–13.

On behalf of the University, our students, faculty, and staff, thank you to our many generous donors who have made gifts to our Annual Fund, capital campaigns, and other areas of importance, and who established endowments and awards, and planned gifts. Your thoughtfulness and leadership have generated funding for student support, capital needs, educational programming, and research. UPEI is grateful that you continue to make your University a giving priority.

POINTS OF PRIDE

SEPTEMBER 2012

Welcome Day at UPEI

Excitement was high as the University welcomed hundreds of new students and their families to campus during UPEI's first New Student Orientation (NSO) Welcome Day. Staff and faculty from service areas and academic departments, as well as NSO student leaders organized by the Student Union, were on site to help first-year students "one-stop-shop" all things UPEI as they transitioned to the university environment.

Celebrating Founders

The University honoured its rich heritage and traditions during the 13th annual Recognition of Founders ceremony. Over 100 people attended the event to recognize the 2012 Founders—three individuals who contributed to the University in an exceptional way: Heather Love, Don MacCormac, and Dr. Lawrence Heider, recipient of The Honourable Eugene F. Whelan Green Hat Award, which pays tribute to individuals who have had a significant impact on the Atlantic Veterinary College.

Prince of Wales College Memorabilia Showcase

PWC alumni and friends gathered in UPEI's Robertson Library to display and donate PWC items to the University, and to reconnect over conversation and refreshments. For nearly 40 years, the Library's Archives and Special Collections Unit has been collecting, preserving, and sharing unique materials relating to the province and the University. The collection includes memorabilia related to PWC's vital contribution to PEI's heritage of higher learning. View the collection online at **vre2.upei.ca/pwc**

Heather Love, Don MacCormac, Dr. Lawrence Heider

Hubert "Sock" MacDonald, Jennifer Moore

Our Caring Community

The Teddy Bear Clinic is a popular component of the annual Atlantic Veterinary College (AVC) Open House as children bring in beloved stuffed toys for treatment by AVC students. This year, UPEI Nursing students held their own Teddy Bear Clinic for kindergarten classes at Westwood Primary School in Cornwall. The children learned about health care in a friendly environment as each "bear" was weighed and examined. The nursing students had an opportunity to apply their skills in communicating with children, health promotion, and teaching.

UPEI Sports Hall of Fame

The UPEI Sports Hall of Fame recognizes individual athletes, teams, and builders who have made significant contributions to the athletic programs at the University of Prince Edward Island, St. Dunstan's University, or Prince of Wales College. UPEI football defensive star Hubert "Sock" MacDonald and UPEI basketball star Jennifer Moore (née Johnston) were inducted into the Hall of Fame during the third annual Sport Legacy Celebration. Fifty-seven Canadian Interuniversity Sport Academic All-Canadian student-athletes from the 2011–12 varsity season were also recognized, as were winners of named financial awards.

Collaborative Research Space

Through its Leaders Opportunity Fund, the Canadian Foundation for Innovation awarded \$250,000 to UPEI toward refurbishment of existing space at the K.C. Irving Chemistry Centre to house a new collaborative research laboratory for the University's growing expertise in macromolecular chemistry.

New CT-Scanner for the Atlantic Veterinary College

The Atlantic Veterinary College purchased a CT-scanner with the assistance of funding provided by the Atlantic Canada Opportunities Agency. The only full-service veterinary teaching hospital in Atlantic Canada, AVC continues to improve the facilities it offers to clients, students, and faculty. The CTscanner, designed for both large and small animals, expands client services and enhances research capability in areas such as bone grafting, orthopedic transplants, and stem-cell healing.

2012

MacLauchlan Prizes for Effective Writing

UPEI celebrated the MacLauchlan Prizes for Effective Writing at the University's first annual event in recognition of the importance of effective writing as a foundational skill for academic success and lifelong learning. The award— presented to 39 students and one faculty member—was established in 2011 by the MacLauchlan family to honour H. Wade MacLauchlan's contributions to the University and his 12 years of service as UPEI president and vice-chancellor.

Engineers PEI Awards

Two members of UPEI's staff and faculty received recognition awards at the Engineers PEI annual banquet. David Taylor, UPEI's Manager of Environmental Services, received the Engineers PEI Award for Environmental Excellence. Stephen Champion, Assistant Professor of Engineering, was presented with the Engineers PEI Ralph L. Woodside Memorial Award for Service to the Profession. Professor Champion is a key player in the ongoing development of the engineering program at UPEI.

UPEI Celebrates 25 Years as First .ca Domain Name

On January 12, 1988, the University of Prince Edward Island registered its website through the .ca registry, becoming the first-ever .ca domain name. The director of UPEI's first computer centre, Jim Hancock, was the UPEI delegate at a meeting of representatives from 10 Canadian universities—"online pioneers"—who brought the Internet to Canada.

Faculty of Arts Continues a Culture of Writing and Publishing

2012 titles include Dr. Godfrey Baldacchino and Anna Baldacchino, *A Taste of Islands: 60 Recipes and Stories from Our World of Islands*; Dr. Godfrey Baldacchino, ed., *Island Songs: A Global Repertoire*; Dr. Ann Braithwaite, Dr. Catherine M. Orr, and Dr. Diane Lichtenstein, eds., *Rethinking Women's and Gender Studies*; Dr. Sarah Glassford and Dr. Amy J. Shaw, eds., *A Sisterhood of Suffering and Service: Women and Girls of Canada and Newfoundland during the First World War*; Dr. John McIntyre and Dr. Miranda Hickman, eds., *Rereading the New Criticism*; Dr. Richard Raiswell and Dr. Peter Dendle, eds., *The Devil in Society in Premodern Europe* (Dr. Raiswell is also an editor of a new academic journal, *Preternature: Critical and Historical Studies on the Preternatural*); Dr. Richard Lemm, ed., *Riptides: New Island Fiction* (shortlisted for an Atlantic Book Award).

JANUARY 2013

UPEI Works to Assist Indigenous Youth and Communities of Southern Chile

UPEI was one of 15 Canadian universities selected to receive funding from the Department of Foreign Affairs, Trade and Development (formerly CIDA) to implement projects of direct benefit to people in need, in partnership with institutions and organizations in developing countries. UPEI's five-year project is delivering tangible results—a unique school and customized curriculum—to people living in Chiloe, Chile.

UPEI celebrated its 12th annual International Development Week. The theme was "The Role of Youth in Global Collaboration for Sustainable Peace and Development." Events included presentations by the Honourable Mobina S. B. Jaffer, Senator for British Columbia, and Dr. Douglas R. Brown, Director of Agriculture and Food Security at World Vision International. International awards and scholarships were also presented during the week. Yinze Dai received The Dr. Vianne Timmons International Student Award.

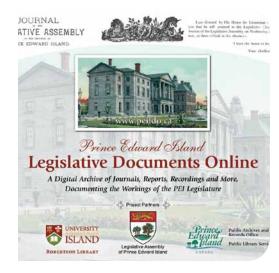

Prince Edward Island Legislative Documents Online

A partnership between the Legislative Assembly of Prince Edward Island, the Public Archives and Records Office, the Prince Edward Island Public Library Service, and UPEI's Robertson Library has resulted in a new website—Prince Edward Island Legislative Documents Online (PEILDO). The site provides access to the Journals of the Legislative Assembly (1894–present), a rich collection of material covering almost 120 years of PEI's political, social, and economic development. The Robertson Library is committed to an "open" philosophy in developing home-grown, in-house digital collections and services, working with other PEI cultural and heritage institutions through its **islandarchives.ca** program.

FEBRUARY 2013

MARCH 2013

Mental Health Week

UPEI held its first annual Mental Health Week designed to educate participants and challenge stigmas surrounding mental health. The week included the installation of a mural created by eight young people who have experienced psychoses. The mural portrayed their experiences through paintings, posters, and words. The installation was funded by the Canadian Institutes of Health Research. Co-investigators Dr. Kate Tilleczek, Canada Research Chair in Child/Youth Cultures and Transitions, UPEI Faculty of Education, and an adjunct research scientist at The Hospital for Sick Children in Toronto, and Dr. Katherine Boydell, Senior Scientist in Child Health Evaluation Sciences at the Hospital for Sick Children, have shown the mural to, and discussed it with, over 5,000 young people in high schools across Canada.

CIS Rookie of the Year

UPEI men's basketball guard Deontay (DJ) Smith was named Canadian Interuniversity Sport (CIS) and Atlantic University Sport (AUS) Rookie of the Year for the 2012–2013 season. He was also named an AUS first team All-Star. Smith is the first UPEI athlete and only the second player from the AUS conference to receive the Dr. Peter Mullins Trophy that recognizes the top rookie of the year in CIS basketball action.

Panther Men's Hockey Star Jordan Knox Recognized at the National Level

Jordan Knox received the 2012–2013 Canadian Interuniversity Sport Dr. Randy Gregg Award for excellence in hockey, academics, and community services. He also received an Academic All-Canadian mention in each of the four seasons he played in the Atlantic conference.

UPEI Introduces Experience U (XPU)

Experience U (XPU) is a Massive Open Online Course (MOOC), delivered on Facebook, and open to anyone—prospective students, supportive parents, high school teachers, or interested observers who are eager to engage and connect with some of the key concepts that make the university experience unique. XPU provides a platform for students to chat with peers and faculty members, receive answers to questions, meet great people, and make connections with classmates before classes even begin.

Physics Students Take Home Honours

Two UPEI undergraduate physics students were awarded top honours at the 2013 Science Atlantic Physics and Astronomy Conference, held at the Université de Moncton. Logan Montgomery won the Science Atlantic Science Communication Award, and Taylor Dunn won the ACEmat Award in Computational Modeling of Materials.

UPEI Wind Symphony

The UPEI Wind Symphony, comprised mostly of UPEI music majors, is well known for its innovative programming and is critically acclaimed for its exceptional standard of performance. The symphony tours throughout the region during the academic year to provide its membership with varied performance experiences and share its music with a very appreciative wider community. In 2012-2013, performances were held in Charlottetown, Montague, Summerside, and Saint John, New Brunswick.

MARCH 2013

Recognizing Athletic Achievement—UPEI Athletics Awards

UPEI Athletics and Recreation celebrated its 44th year by recognizing student athletes at the annual UPEI Athletics Awards ceremony. The Alumni Athletes of the Year Awards went to Marina MacAulay (field hockey) and Jimmie Mayaleh (men's soccer). MacAulay began her career with the Panthers by being named AUS Rookie of the Year and ended the season as a CIS second team All-Canadian. Jimmie Mayaleh finished the 2012 regular season tied for third in the league in scoring and in overall points. He was a first team AUS All-Star and a CIS second team All-Canadian.

Jimmie Mayaleh, Marina MacAulay

2013

Congratulations to UPEI's 2013 Sport PEI Award Winners!

Panther Pride! The UPEI women's hockey team was named the SCORE! Team of the Year at the 2013 Sport PEI Awards. The team won its first-ever Atlantic University Sport (AUS) Championship in 2012 and went on to compete at the Canadian Interuniversity Sport Championship. The coach of the women's hockey team, Bruce Donaldson, received the Sport PEI Coach of the Year Award. Earlier in the year, he was named AUS 2012 Women's Hockey Coach of the Year. UPEI swimming star Janet Gamble received the Bell Aliant Senior Female Athlete of the Year Award. She won four medals (three gold and one silver) at the AUS Championship, breaking two AUS records in the process.

Engineering Design Expo

This year, first-year engineering students worked with the Island farming community, and second-year students worked with various clients on engineering challenges. Engineers PEI judged the students' projects at the annual Engineering Design Expo to determine which team best demonstrated professionalism, understanding of the client's problem, and an ability to effectively explain their designs to the general community. The 2013 Engineers PEI Team Design Award was presented to second-year team members Nathan Palmer, Tyler Palmer, and Daniel Ugwuja, and to first-year team members Beth Giroux, Daniel Larsen, John Livingston, and Harold MacDonald.

School of Business Case Teams Continue to Excel in Competitions

UPEI School of Business teams placed second (Michelle Clow, Josh Hayden, Justin Lank, and Kelcy McNally) and third (Katie Adams, Rebecca Cole, Colin Cornish, Patrick MacIntyre, and Cearagh Vessey) in the Atlantic Throwdown Case Competition held in Halifax. For the third consecutive year, UPEI retained the challenge trophy awarded to the team with the highest cumulative total points. The Throwdown is designed to give third-year business students their first taste of competitive case analysis.

Earlier this year, students Parker Baglole and Ryan Cassidy placed first in the ethics section of the 35th annual Inter-Collegiate Business Competition—Canada's premier undergraduate business case competition. As well, a UPEI case competition team, comprised of fourth-year business students Alex Whalen, Mary Whitrow, John Williams, and Isaac Townshend, won the right to compete internationally in the Network for International Business Schools 2013 Worldwide Case Competition in Leuven, Belgium.

Alex Whalen, Mary Whitrow, John Williams, Isaac Townshend

APRIL 2013

MAY 2013

UPEI and Holland College Cooperate in Research and Development and Commercialization Dr. Robert Gilmour, Vice-President Research at UPEI, and Dr. Audrey Penner, Director of Adult Education, Learner Supports and Applied Research at Holland College, signed a memorandum of understanding related to cooperation in research, commercialization, partnerships with industry, grant proposals, intellectual property development and protection, and sharing of facilities. The institutions also agreed to work together to review grant applications, negotiate contracts, and conduct compliance reviews.

Dr. Robert Gilmour, Dr. Audrey Penner

Faculty and Staff Presidential Recognition Awards of Merit

The 2013 Presidential Recognition Awards of Merit honouring outstanding performance and dedication to students and the community, and the 25-year Service Awards, were presented at a special ceremony held on May 6. Faculty and librarian award recipients: Teaching—Dr. Susan Dawson, Dr. James Polson, Charlene VanLeeuwen; Scholarly Endeavours—Dr. Godfrey Baldacchino, Dr. Dany MacDonald, Dr. Larry Hammell, Dr. Kate Tilleczek, Dr. John VanLeeuwen; Service— Dr. Sheldon Opps. Staff award recipients: Campus Spirit—Mr. Rocky Paquet; Exemplary Service—Virginia Sheehan and Gerard Burge; Volunteer and Community Service—Roland MacSwain; Support of Student Success—Anne Bartlett.

Nursing Students Promote Healthy Lifestyles

A number of courses offered within the School of Nursing at UPEI contribute directly to the promotion of health in our province through the placement of nursing students within PEI schools and public health offices. Throughout the year, nursing students are involved in school health fairs, smoking cessation and sexual health programs, and the development of school health weeks and mental health awareness information.

President and Vice-Chancellor Alaa Abd-El-Aziz, Gerard Burge

Dr. Carlo Lavoie, Dr. Robert Hurta, Dr. Henrik Stryhn

UPEI Congratulates Record Number of Graduates at 2013 Convocation Over 950 graduates received degrees, diplomas, and certificates at UPEI's 2013 Convocation ceremonies. Honorary degrees were conferred upon business leader and volunteer Fred Hyndman, humanitarian and community activist Marie Burge, science educator and entrepreneur Regis Duffy, and environmental expert Diane Griffin. The Governor General's Medal (graduate) was awarded to doctor of philosophy degree recipient Fernanda Dórea and the Governor General's Medal (undergraduate) was awarded to bachelor of science (honours) degree recipient John Paul Larkin.

UPEI Faculty Members Recognized

Faculty Recognition Night, co-sponsored by the UPEI Faculty Association and the Office of the President, honours the winners of the Hessian Award for Excellence in Teaching and the Merit Award for Scholarly Achievement. Retiring faculty members and those who have served UPEI for 25 years or more are also recognized at the event. Hessian Award recipients in 2013 were Dr. Janet Bryanton, Nursing, and Dr. Edward Gamble, Business. Merit Award recipients were Dr. Carlo Lavoie, Modern Languages; Dr. Robert Hurta, Biology; and Dr. Henrik Stryhn, Health Management.

13 Graduate at Special Convocation in Iqaluit Twelve Inuit education leaders from Nunavut and one from Nunavik graduated with a Master of Education Leadership degree from UPEI at a special Convocation held in Iqaluit. Two respected Elders, knowledge-keeper Donald Uluadluak, and community leader Rhoda Karetak, were presented with honourary degrees. This was the second cohort of UPEI Master of Education graduates in Nunavut.

MAY 2013

Qualitative Research Lab Receives Canadian Foundation for Innovation Funding

The Qualitative Research Lab (QRLab) at UPEI received phase II funding from the Canadian Foundation for Innovation (CFI) Leaders Opportunity Fund. The QRLab, founded in 2009 with phase I funding from the CFI, provides equipment for the collection of field data, along with facilities to analyze, prepare, and disseminate materials. This second-phase funding expands the ability of the lab to collect and mobilize digital and visual media. It also expands research space to allow for a broader range of collaborators. Under the leadership of Dr. Kate Tilleczek, Canada Research Chair in Child/Youth Cultures and Transitions, the QRLab is a focal point of research excellence at UPEI. Projects from the faculties of Education and Arts, as well as the schools of Business and Nursing, use the lab to conduct qualitative research in new and innovative ways.

Debbie MacDonald, Dr. Kate Tilleczek, Ruby Madigan, Manuel Muñoz Millalonko (on screen, via Skype), Dr. Luis Bate, Valerie Campbell

Climate Research Lab

MAY 2013

UPEI's Climate Research Lab, under the leadership of its director, Dr. Adam Fenech, conducts, facilitates, and hosts research and science on the vulnerability and adaptation of the environment to past and future climate change. The lab offers a new and valuable tool for researchers who require climate projections for any location on the planet. Raw data downloaded from 40 global climate models has been translated, analyzed, verified, and converted into a usable dataset for researchers.

Dr. Adam Fenech

Morgan Wagner

Emily Emberton

UPEI Music Students Nationally Recognized

Two UPEI music students—Morgan Wagner and Emily Emberton—were nationally recognized after placing second and third, respectively, in the Canadian Music Educators' Association's Kenneth Bray Undergraduate Essay Competition. This year's competition attracted 30 submissions from across Canada. The competition was judged in a blind review process by a panel of 10 nationally recognized scholars in the field of music education.

J. Paul S. Young, Honourable J. Armand DesRoches

Suzanne Nicholson

Dr. James Moran, Dr. Edward MacDonald

UPEI Celebrates Distinguished Alumni

The UPEI Alumni Association presented its annual awards as part of its summer reunion weekend. The Honourable J. Armand DesRoches, SDU'63, was the recipient of the Distinguished Alumni Award, and J. Paul S. Young, BSc'02, BScR'07, MBA'12, received the Inspiring Young Alumni Award. The Distinguished Alumni Award commemorates a graduate for his or her outstanding contributions to knowledge, the arts, the community, the University, or humanity. The Inspiring Young Alumni Award honours a graduate, under the age of 40, who has shown outstanding determination in achieving success at a young age.

Suzanne Conquers The Strait

UPEI fifth-year student and swim team member Suzanne Nicholson successfully swam the Northumberland Strait to raise funds for her team. She set a fundraising goal of \$10,000 and raised \$11,000 through her initiative. Nicholson is a UPEI swimming record-holder, and a dedicated and inspirational Panther athlete.

Associate Professors in the Department of History Lead National Research Associations

Two faculty members within UPEI's Department of History took office as presidents of their respective national research associations. Dr. Edward MacDonald began his second year as president of the Canadian Catholic Historical Association, and Dr. James Moran his first year as president of the Canadian Society for the History of Medicine.

ANNUAL DONOR REPORT

Donor Recognition—May 1, 2012–April 30, 2013

The University of Prince Edward Island is pleased to include our *Annual Donor Report* as a component of the 2013 President's *Annual Report*. It is appropriate that our donors—vital members of the University community—are recognized and thanked in conjunction with the achievements of the University they so proudly support.

In the pages that follow, you will find the names of over 2,000 people and organizations who have made the University of Prince Edward Island a philanthropic priority—investing in the future of our students and consequently the success of our community. As UPEI continues to focus on excellence in teaching, research and service—thereby advancing our mission and strengthening our impact at home and around the world—the University gratefully acknowledges the foresight and commitment of our donors.

In 2012–2013, donors to our University established 28 new funds that support scholarships and awards. Other generous individuals volunteered their time and expertise. Many donors and volunteers contribute year after year. Some of our most recent graduates—our youngest alumni—are already giving back. The donor lists that follow demonstrate the extent of our community's commitment to UPEI. A few examples of these outstanding individuals and groups precede the listings.

Rory Beck Friends and Family

In 2012 friends and family honoured the memory of the late Roderick (Rory) Beck by creating The Rory Beck Outstanding Academic and Athletic Leadership Award. The award reflects Beck's passion for sports and his belief that education and community service are critical components of a meaningful life. The award is granted each year to the graduating student who has displayed the most outstanding dedication to athletics, academics, leadership, and campus spirit throughout post-secondary undergraduate studies at the University of Prince Edward Island.

During the 2013 afternoon Convocation ceremony, UPEI women's hockey player Jaime Lynn Donaldson was named the first recipient of this award. A great leader on and off the ice, Donaldson demonstrated excellence in both academics and athletics. She was captain of the women's hockey team, a member of the AUS Championship team, recipient of an Academic All-Canadian award, and was involved in numerous charitable events and fundraisers, including the RBC "Newcomers Play Hockey" program and the UPEI Paderno Challenge Cup.

Jaime Lynn Donaldson with Rory Beck's wife, Gaylene (second left), and sons Dylan (left) and Jacob (right). Missing from photo is son Luke Beck.

Marylou Hughes

Marylou Hughes is an active UPEI alumna, volunteer, donor, and visionary—an engaged and valued member of the University community. Her generous contributions of time, energy, and financial support enhance the student experience at UPEI, and her positive presence is strongly felt across campus.

Marylou attended UPEI as a mature student and worked diligently to maintain her status on the UPEI Deans' List, and as a leader and mentor in her class. She was one of the first female mature students to graduate from UPEI with a BSc. She pursued a career in audiology, contributing to the Island community in the field of research and clinical practice devoted to the study of hearing disorders, assessment of hearing, hearing conservation, and aural rehabilitation. In addition to fulfilling the demands of her chosen profession, Marylou has volunteered countless hours as a UPEI alumna, including serving on the Alumni Association Board of Directors and representing the Alumni Association on the UPEI Senate.

The Keefe Family Legacy at UPEI

All nine sons and daughters of the late Genevieve and Leonard Keefe of Kinkora, PEI, are graduates of UPEI. Thirteen grandchildren have also studied at the University.

In the fall of 2011, the Keefe family was deeply saddened by the passing of their daughter and sister Colleen. To honour Colleen's memory and the significant contribution she made during her career in human resource management, her brothers, sisters, and her husband Leonard Malone (BBA'72) chose to contribute to their alma mater by establishing a scholarship in Colleen's name. Their generous gift established an endowed scholarship and supports the University and its students into the future.

The Calgary Friends of UPEI

The Calgary Friends of UPEI originated in 1997 when a small group of graduates from SDU, PWC, and UPEI attended a reception arranged by UPEI at the Calgary Petroleum Club. Since that time, The Friends, headed by Calgary real estate lawyer Bill LeClair (BBA'70), have held a popular annual dinner and silent auction that has raised more than \$840,000 and provided numerous scholarships and bursaries to Alberta students attending UPEI. In 2012–2013, nineteen students from Alberta were studying at UPEI with the support of The Calgary Friends of UPEI awards.

Marylou Hughes

We thank the following friends, alumni, faculty, staff, and students of the University of Prince Edward Island, who give generously to this institution. Every contribution supports the vision of UPEI.

lifetime honour roll

The Lifetime Honour Roll recognizes individuals, corporations, and foundations whose cumulative gifts to UPEI have exceeded \$1,000,000. Their tremendous generosity supports life-changing research, scholarships that recognize excellence, dynamic and relevant academic programs, and enhanced facilities that offer state-of-the-art learning environments.
