

**Facilitator:** Cheryl Wartman

**Residence:** Cornwall, PE

**Occupation:** Sessional lecturer/laboratory technician

**Areas of Expertise:** Qualitative and quantitative analysis; research methods in psychology; physiological psychology

**About Cheryl:** Cheryl Wartman's professional experience is broad, from research technician through research grants coordinator of UPEI. Cheryl enjoys presenting the results of scientific analysis and explaining its importance; as well as finding joy in basic bench work. Her experience in protocol development, troubleshooting, and quality assurance (QA) have been refined in working with graduate students as they complete their programs.
