

Facilitator: David Boyce

Residence: Murray Harbour North, PE

Occupation: Project Manager, Veteran Affairs Canada

Areas of Expertise: Project management; change management; scrum/agile

About David: David Boyce is a certified Project Manager (PMP) with close to 30 years of managing projects regionally, nationally, and internationally in Asia and Europe. Boyce has worked in the private sector and the non-profit sector and currently works with Veterans Affairs Canada. He is a certified Change Manager and trainer, as well as a certified scrum product owner.

David Boyce also volunteers with PMI New Brunswick, TriPEI, the PEI Road Runners, and the Three Rivers Heritage Association. He is an endurance athlete competing in marathons and triathlons. When Boyce is not training, working full-time, or volunteering, he operates a seasonal business.
