

Facilitator: Les Wagner

Residence: Summerside, PE

Occupation: Director of Recovery and Housing, CMHA – PEI Division

Areas of Expertise: Mental health education, suicide prevention, crisis response and recovery

About Les: Les has spent more than 30 years with the CMHA in leadership and program roles. He oversees recovery programs and several housing programs across Prince Edward Island. Committed to mental health education and stigma reduction, Les facilitates Mental Health First Aid, ASIST, safeTALK, and Mental Health Works training. He works to increase awareness, build understanding, and support people and communities in their mental health journeys. Les holds a BA in Sociology from UPEI.
