

Facilitator: Sandra Griffin

Residence: Blooming Point, PE

Occupation: e-Learning Specialist, UPEI

Areas of Expertise: Disability services; mental health; trauma; suicide awareness

About Sandra: Sandra Griffin holds a Bachelor of Arts (Major in Psychology) from UPEI and a Human Services Diploma (Community Living Worker) from Holland College. Sandra has obtained case management expertise from career experiences working with people with developmental disabilities, learning disabilities, and physical and mental health challenges. A core component of the employment roles she has pursued has included case management for individuals with complex needs, and those who have experienced traumatic events, and those who require support and/or interventions from numerous agencies and services. These include the positions of Manager in Health and Wellness (Alberta), Coordinator in Accessibility Services (Alberta), and Coordinator in Early Childhood Education (PEI). Sandra has additional training in mental health, sexual violence, suicide awareness, and Indigenous awareness and reconciliation.
