GRADING AND COURSE COMPLETION

Participants in this course will be evaluated based on the following criteria:

- **Course Attendance**

Regular attendance is expected. Participants must attend at least 80% of classes (no more than 2 absences for 10-week courses or 1 absence for 6-week courses). If a class is missed, students should attend a virtual conversation group to make up for the absence. Exceptions may be made for extenuating circumstances if the participant remains actively engaged through homework and conversation group attendance.

- **Written Assignments / Homework**

Weekly homework is an essential part of language acquisition. Participants are expected to complete all assigned homework, submitted either through the online platform or by email, as applicable. Occasional missed assignments will be considered if the participant demonstrates consistent overall engagement.

Final Grade: Pass (P) or Incomplete (INC)

At the end of the course, participants will receive either a Pass (P) or an Incomplete (INC).

A Pass (P) is awarded to participants who:

- Meet attendance expectations,
- Submit the majority of written assignments, and
- Demonstrate active effort and participation throughout the course.

An Incomplete (INC) is given if:

- Attendance falls below 80% without accommodation,
- There is insufficient homework submission or engagement, or
- The participant does not meet the minimum criteria for participation.

Participants who successfully complete the course will receive an official Letter of Completion from the UPEI Office of Continuing Education and Professional Development.
