Intermediate 2 - FR-PD2020-A
October 1 – December 6, 2024

Facilitator: Mélanie Morin

Online Live Meetings: Thursdays, 1pm

Course Access: A link to access online meetings will be made available

DESCRIPTION OF THE COURSE

This professional development course is intended for employees of the PEI Public Service, Health PEI employees, and any other professional in Prince Edward Island who wish to begin their language learning journey through professional development. It is designed for **participants who have a strong foundation in French and are looking to progress towards more fluency.**

This 10-week, non-credit course is delivered through 1 weekly synchronous session via Zoom, as well as a homework assignment for each week. In addition, virtual conversation classes will round out the learning experience, offering a range of available session times and levels each week. Synchronous sessions will take place via Zoom and a link will be provided, with the focus being on oral communication. The course will be run in a manner that supports a non-threatening, encouraging learning environment for all participants. Asynchronous content focused on reading and writing will consist of one assignment, or multiple shorter assignments to be completed on the participant's own time and submitted to the facilitator.

COURSE OBJECTIVES

At the end of the Intermediate 2 courses, learners will be able to:

- understand the main ideas of complex text on both concrete and abstract topics, including technical discussions in their field of specialization.
- interact with a degree of fluency and spontaneity that makes regular interactions with native speakers quite possible without strain.
- produce clear, detailed text on a wide range of subjects and explain a viewpoint on a topical issue giving the advantages and disadvantages of various options.

CONTENT

Content will be selected with the goal of balancing fun and engagement with the learning objectives of the course. A variety of sources will be used, with all materials supplied by the facilitator.

ESSENTIAL MATERIAL

- Computer, such as a desktop and monitor or laptop computer would be best
- A reliable internet connection
