H. Wade MacLauchlan Raised Expectations Awards

DESCRIPTION

Under the leadership of past president, H. Wade MacLauchlan, the University of Prince Edward Island demonstrated our University's capacity to employ brains, ambition, and talent – *enhanced by education* – to challenge ourselves, to aim for the “next level up,” and to succeed against standards of competitive excellence.

In the spirit of his example, the University of Prince Edward Island is proud to establish the H. Wade MacLauchlan Raised Expectations Awards, entrance awards at UPEI recognizing selected students who demonstrate the greatest academic improvement during their grade 10 to 12 school years and go on to study at UPEI.

CRITERIA

H. Wade MacLauchlan Raised Expectations Awards will be granted to Grade 12 graduating students of Prince Edward Island public schools who demonstrate the greatest academic achievement from Grade 10 to completion of Grade 12 (for example, marked improvement in their academic program or a switch from a general program to academic program) and who are entering the University of Prince Edward Island in the fall of their graduating year.

Only one (1) award per Island high school will be available on an annual basis.
