Saint Dunstan's University Nurse Practitioners Renewable Awards

DESCRIPTION

The Board of Governors of St. Dunstan's University (SDU), to the extent possible, strives to foster Christian educational ideals exemplified in the motto of St. Dunstan's University, *Ex eodem fonte fides et scientia* (From the Same Source Faith and Knowledge).

Saint Dunstan's University was a thriving, active, and accomplished post-secondary institution. In addition to its strong athletic program, SDU also introduced the Engineering diploma program (which today has grown into the UPEI Sustainable Design Engineering degree program) and open its doors and welcomed many international students who still speak of their fondness and respect for their beloved alma mater.

Saint Dunstan's University closed its campus in 1969. Since that time, the SDU Board of Governors has provided immeasurable support to UPEI both directly and indirectly through scholarships, awards, capital campaign contributions, and the Catholic Studies program.

CRITERIA

Granted to three UPEI students in the Master of Nursing - Nurse Practitioner Stream who are in financial need and intend to remain in Prince Edward Island for their nursing career. Preference will be given to applicants who can demonstrate that they have been the primary income earner in their family prior to entering the program. Recipients are eligible to receive this award for one additional year.
