

Dean's Honours List

Faculty of Science

Please review the list below and contact the Administrative Assistant for your major if you have questions.

If you are on the Dean's List you will receive an email to let you know when your certificate is ready. You can choose to pick it up if you are already on campus, or have it mailed to you. If you wish to have your certificate mailed contact the Admin Assistant for your major and provide your up to date mailing address.

The process (governed by Academic Regulation #18) to identify eligible candidates for Deans' Honours 2025 is based on the following criteria:

September 1, 2025 to August 31, 2026

Only courses completed at UPEI within a degree program (or at a recognized exchange program) between September 1, 2025 and August 31, 2026 will be counted.

You cannot have any failed courses during the time period.

You must have completed at least 30 semester hours of credit during the time period, and completed all attempted credits.

You must have a GPA of 3.7 or higher for the time period.

NOTE: If you think you are eligible and your name does not appear on this list AND you have changed your major after the last academic year, you should be checking the list for your previous degree program. If your name does not appear and you think it should, contact the Admin person for your major.

Academic Regulation 18 - Deans' Honours List

Deans' Honours is a non-monetary distinction awarded to students enrolled in a degree program in the Faculties of Arts, Science, Business, Nursing and Engineering. Standing for inclusion on the Deans' Honours List is calculated annually at the end of the academic year based on courses completed at UPEI (or a combination of courses completed at UPEI and courses completed on exchange at a recognized Exchange Partner institution) between September 1 and August 31. Eligibility for this distinction is based on completion of a minimum of 30 semester-hours of credit, with a grade point average of 3.7 or higher, with no courses failed. Transcript notations will state Deans' Honours List.
