

MAKING OUR WORLD A BETTER PLACE:

UPEI STRATEGIC PLAN 2025-2030

Vision

UPEI aspires to transform lives and communities through lifelong learning.

With teaching and research at the heart of our identity, UPEI connects the Island and the world. UPEI enables learners to explore, grow, and discover their interests and potential. Together, we share the purpose of making our world a better place.

Strategic Objective

UPEI will be the university of choice for Islanders and a top destination in Atlantic Canada for learners from across Canada and the world. We will achieve this by delivering outstanding learning and experiences in a welcoming environment that values integrated and inspiring teaching, learning, and research. Together, our people, graduates, and research and scholarship will contribute to making our world a better place.

UPEI'S Core Values

Our core values guide our institutional decision making, behaviors, and actions.

They help us define our culture and reach higher every day!

Academic Freedom

Accountability and Integrity

Pursuit of Excellence

Equity, Diversity, Inclusion,
and a Sense of Belonging

Reconciliation

3 Strategic Pillars

Thriving People and Communities

We will foster an inclusive, healthy, collaborative, supportive environment for students and employees to unlock their potential and contribute to our communities

Innovative and Connected Teaching, Research, and Scholarship

Together, we will make meaningful contributions by fostering innovation and collaboration to address complex challenges by growing knowledge, ideas, and people

Sustainability

We will meet short-term needs while planning and protecting long-term priorities through a commitment to social, environmental, and financial sustainability

Woven throughout all our activities is our commitment to:
