

## **Study Abroad and Exchange Policy for USDL Students**

### **USDL Exchange Students**

The U.S. Department of Education regulations stipulate that students can receive US Direct Loans while on exchange only if:

- The student attends a school that participates in the US Direct Loan Program, and
- The school attended is located outside of the US

The [US Federal School Code List](#) will determine whether your intended international exchange school participates in Title IV Federal Student Aid Programs.

### **USDL Study Abroad Students**

Students participating in a Study Abroad program are not eligible to receive subsidized/unsubsidized/PLUS or alternative loans through the University of Prince Edward Island. Students will pay their tuition fees to the other school (abroad) and, therefore, must make financial aid arrangements with that school, not the University of Prince Edward Island.

### **Additional Information**

The UPEI [Risk Management – Study and Work Abroad](#) policy and procedure is available for additional university information.
