THE UPEI STUDENT EXPERIENCE

The UPEI experience is full of options and possibilities to help you grow beyond the classroom and launch into a successful and fulfilling future.

UPEI offers a mix of in-person lectures and online classes, interesting and engaging assignments, and practical degree specializations, all centred on your academic, personal, and career success.

After classes, relax or take a study break. Find your favourite spot to meet with friends and classmates or grab a snack or coffee. Join student clubs or societies for discussion, fundraising, social events, volunteerism, and more. Meet people, expand your understanding, and enhance your resume!

WE'VE GOT YOU!

Adjusting from high school classes to university lectures may seem overwhelming, but your academic and personal support at UPEI begins the day you're accepted!

From first-year advisement to time management and study skills seminars to the many support services in our Student Experience Hub, we're here for you! Our personal support programs are led by considerate staff members, compassionate students and peers, and helpful faculty.
